### THE SCALE OF ROMAN ARCHAEOLOGY AS1

**David Kennedy, Emeritus Professor UWA**  
Monday 18 October, 10 - 11am

The Roman Empire has had a lasting impact on modern civilisations. One way to measure and illustrate this is through archaeology, where one can view and touch 'scale': for example in terms of numbers, distribution, size, quality and survival. Professor Kennedy, an archaeologist who specialises in the Roman Near East, will explore the scale of the Roman Empire, what British archaeologist Sir Mortimer Wheeler characterised as 'the grandeur of their thinking'.

Their unusual nutritional strategy has long been a source of fascination and inspiration, from Charles Darwin's elegant glasshouse experiments to the people-eating plants in popular culture. WA is home to the world's greatest diversity of carnivorous plants. Join botanist Laura Skates to learn more about the ecology and nutrition of our native carnivorous plants.

### NATIVE WATERWISE GARDENS AS5

**Fiona Blackham, GAIA Permaculture**  
Monday 1 November, 9.30 - 11am

Our native plants have evolved to be perfectly adapted to WA's harsh conditions. Low rainfall, strong sun and wind make for a tough environment to live in, however our plants have managed for hundreds of thousands of years. Native water-wise gardens are low maintenance. They provide sanctuary, habitat and food for native birds, insects and reptiles, increase soil fertility and canopy cover and urban cooling - all on little or no water. Join permaculturalist Fiona to hear more about their importance and how to design a native garden for year-round beauty.

**Is it valued enough?**

**Peter Veth, Professor of Archeology, UWA**  
**Friday 12 November, 9 - 10am**

He puts this in the context of wider studies from northern Australia and Wallacea, the transitional zone between the great Indo-Malaya and Australian biogeographical realms. He looks at peoples' ongoing traditions linked to these sites and the current reforms to the WA Aboriginal Cultural Heritage Act. Given these archaeological and social values, he then examines how well they are protected under state legislation.

### BRITISH INDIA and the historical seeds of the 21st century **AS18**

David Robinson

**Saturday 11 December, 2 - 3pm**

With the West's recent withdrawal from Afghanistan, historians are moved to remember Britain's failed attempts to conquer Central Asia in the 19th century. As well as determining Afghanistan's borders, Britain created modern India and Pakistan, today centres of rising power and instability. To the East, the British Navy fought the Opium Wars with China to ensure the East India Company's opium trade, eventually ending China's Qing dynasty and commencing the nation's journey to Maoism. This talk will trace the paths of history to explore how the British Empire in South Asia helped lay the foundations of the contemporary world.

### SAILING to the LAND OF PUNT **AS19**

Tom Vosmer

**Wednesday 15 December, 1 - 2.30pm**

In the 15<sup>th</sup> century BC, Hatshepsut became the second historically confirmed female pharaoh of Egypt, with full powers of traditionally male authority, reigning for around 20 years. Some 3600 years ago she organized a sea-trading expedition down the Red Sea to the distant Land of Punt. The expedition is commemorated on the walls of her mortuary temple at Luxor, and formed the basis for an ambitious re-creation and sailing of one of the vessels. Tom will provide background to Hatshepsut, explore the science, archaeology and art behind the reconstruction of the vessel, describe the challenges and solutions to its reconstruction, and the performance of the vessel on the Red Sea.

## WHO WE ARE

Glyde-In Community Learning Centre began in 1981. We offer courses, talks and activities that we hope will enrich members' enjoyment and knowledge, and foster a healthy community life. We aim to be a source of learning that doesn't cost the earth, that doesn't need prior knowledge or qualifications, and asks only a small commitment of time. Our courses are non-competitive and informal. Tutors are from all walks of life, and we welcome more.

Our staff members work part time, and our volunteers play a significant role in the life of the Centre.

Glyde-In is a not-for-profit organisation managed by a volunteer management committee. Most of our funding is generated through membership and course fees. We are also supported greatly by the Town of East Fremantle, through provision of our building and ongoing operational funding.

## HOW TO ENROL

**Enrolments begin Wednesday 13 October at 8.30am in person (or online from 9.00am) and continue through the term, spaces permitting.**

If you mail your booking in and require a posted receipt or other information, please include a self-addressed stamped envelope. Otherwise, detailed receipts are emailed.

Any enrolments received early are processed on Enrolment Day along with the others. If your choice of activity is full, you will be placed on a wait list and we'll let you know if spaces become available. All courses require a minimum number of enrolments to proceed. Consider yourself enrolled unless you hear otherwise.

Please choose carefully as refunds or credits are not

issued if you cancel after enrolment week. However if you find that you can't attend, you're welcome to transfer your booking to another person; just let us know if you do.

We appreciate notification if you are not able to attend on the day.

Our enrolment form is on the last two pages and has a list of all courses and activities. Simply put a big **X** against the ones you want. Circle the fees that apply (use a coloured pen or highlighter if you can), complete your name, membership and payment details, and hand it to us.

Your receipt will list everything you're booked into and any for which you're on a wait list, as well as a list of things you might need to bring on the day, e.g. for an art class.

## A Word from the Chair

How wonderful to see signs of spring after our difficult winter. Our garden and the centre are both buzzing with activity. We had our first lockdown free term so far for a year, which enabled more members to access our courses and activities. Our centre remains financially strong as confirmed by a recent external audit. We had a productive meeting with the Town of East Fremantle who advised that our rolling funding agreement will continue with a CPI increase. They also complimented us on the running of the centre, the quality of our bookkeeping and the management of our funds. We are lucky to have such a capable and dedicated team who consistently achieve such a high standard.

I want to thank Sandra, Jan, Tess and Nik for arranging the fabulous Glyde-In 40th Birthday Party. We are blessed to have the love and support of such wonderful volunteers. I write this before the big day but you will read it afterwards. Hopefully, you could attend and enjoy the celebrations.

Our Term 3 Out&About programme is well underway and we have had pleasing feedback, particularly for our Law Courts & Museum tour, our WAAPA tour and our outing to Perth Observatory. We received great reviews for our new volunteer driver Stephanie and her partner and shepherd David. Our call for volunteers has resulted in two additions to our Out&About Committee and we are pleased to welcome Viveca Rains and Barry Ross on board. Your contribution will be much appreciated. Our Term 4 Out&About programme is shaping up with plans for a Kalamunda Wine Tour, Rockingham Castaways, Kings Park Dig It with Coffee, Perth Observatory, Fremantle Prison, Mandurah High Tea Cruise and a Mandurah Christmas Lights Cruise.

I'm sure our Term 4 Programme will be full of diverse and exciting talks, activities and courses. Enrolment Day is Wednesday, October 13, so mark that date in your diary and get your bookings in early.

Our AGM is scheduled for September 28, which is about the time this programme will become available. Our Management Committee has done well this year, steering us through multiple difficulties. I want to thank them all for their dedication and service. By the time you read this, we will have a newly elected committee. If I am re-elected as Chair, my next term will be my last, as the limit is four years.

This will be my last Word for this year, so I take this opportunity to thank you all for your support, your enthusiasm and your valuable time. Please enjoy Term 4, have a happy and safe Christmas and New Year. Stay well.

Yours Sincerely

*Mal Christison*
