## SPEAKERS UNLIMITED

### NET ZERO MOMENTUM: WHY IT'S BIGGER THAN POLITICS

AS1

Peter Newman

Thursday 23 October, 10 - 11am

Peter Newman, professor of sustainability at Curtin University, suggests we are going over a 'waterfall of change' as net zero is driven by finance, government, and community support for climate action. The Paris Agreement is a legally binding treaty aiming for global net zero by 2050 with 5-year ratchets in commitment. Yet US President Trump withdrew the USA from the treaty in 2017 and again in 2025, banning the words 'net zero'. What might it mean?

### THE FUTURE OF WRITING

AS2

Alan Hancock, author

Thursday 30 October, 10 - 11am

Writing has been central to human culture for centuries but now with AI, the landscape is shifting entirely. Machines can and do write for us, leading some experts to suggest that human writing may be just a blip in our evolution, soon to be replaced. So, what's next for writing? Will it be as therapy or a leisure activity for some? Will most of us read only what machines have written for us? Alan will explore these questions and take a guess at what might happen next.

### BIRDS AND MIGRATION

AS3

Lou Scampoli, Birdlife WA

Friday 31 October, 10 - 11am

You may have heard of shorebirds making their incredible migratory flights between the Arctic and Australia. Learn more about this incredible phenomenon and how it evolved, as well as some other Australian birds that migrate, such as the Flame Robin, Tasmanian Boobook and the Silvereye. Lou will also talk about some of the challenges and threats to migrating birds.

### KING TUT'S CURSE AND THE 'TRUTH' ABOUT ANCIENT EGYPT

AS4

Jasmine Day, Egyptologist

Friday 31 October, 2 - 3pm

For this Halloween, explore the mystery of King Tut's curse with Dr Jasmine Day. Who owns the "truth" about the past? Today's power struggle between scientific and sensational interpretations of ancient Egypt began with the discovery of

Tutankhamun's tomb a century ago by Howard Carter.

Recently rediscovered private letters reveal that psychics and tabloid journalists challenged Carter's authority with dire warnings about the supernatural vengeance that awaited him. The invention of "King Tut's Curse" demonstrates the eccentric personalities and toxic rivalries that gave birth to a legend.

## OPERATION HURRICANE: Britain's first Australian atomic test and its legacy AS8

**Paul Grace**

**Thursday 6 November, 10 - 11am**

At 8am on Friday 3 October 1952 Britain's first atomic bomb was detonated in the hold of surplus warship HMS Plym, moored in the Montebello Islands, 80 kms off the coast of Western Australia. The test, codenamed Operation Hurricane, was the first of 12 nuclear tests held in Australia, including three in the Montebellos. Local author Paul Grace is the grandson of a participant in Operation Hurricane. Join him for an in-depth look at Britain's first nuclear test and an update on the current state of the Montebellos.

## AUSTRALIA'S QUIET CRISIS AS11

**Carrie Alexander, Australian Wildlife Conservancy**

**Friday 14 November, 10 - 11am**

Australia has the worst rate of mammal extinctions in the world, and native species throughout our landscapes are threatened by unprecedented challenges. But there's hope. Australian Wildlife Conservancy (AWC) field teams restore healthy landscapes in iconic places such as the Kimberley, Cape York, Central Australia, and Kati Thanda, or Lake Eyre. Carrie will share stories from the field about how AWC is restoring wildlife and habitats at scale.

## WOMEN'S PATHWAYS INTO PRISON: Cycles of Harm AS12

**Hilde Tubex**

**Monday 17 November, 10 - 11am**

Women make up a small portion of the prison population, but their numbers are rising faster than men's. Interviews with 80 women in WA prisons showed similar life paths, beginning with adverse childhood experiences and ongoing deprivation that shaped their lives and eventually led to criminal behaviour and imprisonment. These cycles of harm suggest that we need to move away from a narrow, 'offender-focused' approach and instead consider the broader systemic issues that fail women and contribute to their criminalisation.

## NATIVE BEES AS14

**Terry Houston**

**Thursday 4 December, 10 - 11am**

Of the estimated 800 native bee species inhabiting WA, at least 80 occur in the Perth Region. While some are easily recognisable as bees, others are wasp-like. All differ vastly in morphology, sociality, flower preferences and nesting behaviours. Terry is a research associate at the WA Museum and has been fascinated by our native bees for decades. He'll explain how to attract them to your garden too.

**MYTHS AND RITUALS IN CHRISTIANITY: Advent** **BN2**  
**Ruperto Nunez**  
**4 Mondays: 27 October - 17 November, 1.30 - 3.30pm**  
 The basis of Christianity is belief: in God, in eternal life after death, and so on. These beliefs are undeniably rooted in myths and rituals that give them meaning. The Christian year is an enactment of Jesus' life and ministry: preparation for his coming, his arrival, his passion, his death and resurrection. This course is an invitation to explore Advent (the "coming"), the stories behind it and their meaning. The purpose is not to replace beliefs, but to give them a deeper meaning.

## WHO WE ARE

Glyde-In Community Learning Centre has been operating since 1981. We offer courses, talks and activities that we hope will enrich members' enjoyment and knowledge, and foster a healthy community life. We aim to be a source of learning that doesn't cost the earth, that doesn't need prior knowledge or qualifications, and asks only a small commitment of time. Our courses are non-competitive and informal.

Glyde-In is a not-for-profit organisation managed by a volunteer management committee. Our staff members work part time, and our volunteers play a significant role in the life of the Centre. A copy of Glyde-In's constitution can be found on our website.

Most of our funding is generated through membership and course fees. We are also grateful for the support of the Town of East Fremantle through provision of our building and ongoing operational funding.

## HOW TO ENROL

Enrolments open **Wednesday 15 October at 8.30am** in person (or online from 9am) and continue through the term, spaces permitting.

Any enrolments received early are processed on Enrolment Day. If your choice of activity is full you will be placed on a waitlist and we'll contact you if a place becomes available. All courses require a minimum number of enrolments to proceed. We will let you know if a course is cancelled.

**Please choose carefully as refunds or credits are not issued if you cancel after enrolment week.** However if you find that you can't attend, you're welcome to transfer your booking to another person; just let us know if you do.

We appreciate notification if you are not able to attend on the day.

Our enrolment form is on the last two pages. Simply place an **X** against the ones you want, circle the fees that apply and complete your name, membership and payment details. **A separate form is required for each person enrolling.**

Your receipt will list everything you're booked into and any for which you're on a wait list, as well as a list of things you might need to bring on the day, e.g. for an art class.

*Non-members are able to take part in a single class or event per calendar year. If you wish to enrol in further activities, then a membership fee is required.*

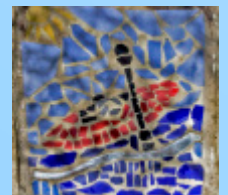

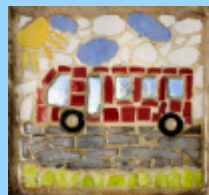

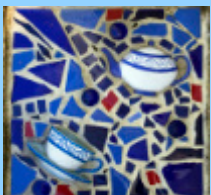

## A WORD FROM THE CHAIR

I am pleased to introduce new and returning members of the Glyde-In to the Term Four 2025 Programme. A tightly packed menu of new offerings plus the continuation of many valued and popular programs. We hope that you will find something to entice you.

Most of you would know that our Annual General Meeting is scheduled for 2pm Tuesday 21 October, and that the Management Committee is looking for new members. If you enjoy the programs and ambiance of the Glyde-In, perhaps you may consider being part of shaping the direction of our centre and supporting lifelong learning in our community. Your contribution could make a real difference and fresh perspectives help us grow stronger, and your voice matters! Find out more from Jacqui or Celine in the office.

Finally, it is spring time and after so much rain our cottage garden is looking lovely with colourful flowers popping up everywhere. Enjoy!
